About Canelo Hills

Canelo Hills Vineyard and Winery is a family owned and operated winery in the heart of Sonoita's beautiful grasslands. Tim and Joan Mueller established Canelo Hills in 2003 and now have 6.5 acres of grapes in production and a successful winery operation and tasting room. Joan grows the grapes for the wine Tim makes, and daughter Kathryn does the marketing. Our award-winning wines reflect the Sonoita appellation's marriage of sun loving grapes to the hot, dry days and cool, clear nights of the high desert.

Canelo Hills Wines

All our wines are made on-site from 100% Arizona-grown fruit. They are handcrafted in small batches for you to enjoy the unique flavors of fine Arizona wines. Our selections vary throughout the year and include Syrah, Tempranillo, Sangiovese, Riesling, Gewürztraminer, Pinot Grigio, and dessert wines. Each year we produce a small batch of sparkling wine made in the traditional *Méthode Champenoise* style, available in limited quantities in November and December. Our wines have received favorable ratings in the *Wine Spectator* and won medals in national competitions.

The tasting room at Canelo Hills Vineyard and Winery is open Friday, Saturday, and Sunday from 11:00 a.m. to 4:00 p.m. Visitors can sample our currently available wines, purchase wine, and often meet Joan and Tim working in the tasting room. The winery is located at 342 Elgin Road in Elgin, AZ, 7.5 miles southeast of the Sonoita Crossroads and a 1-hour drive from Tucson.
